To whom it may concern:

Recently Chris Annunziata was appointed to mediate a litigation matter that I was handling. My client and the opposing party had a history of personality clashes as each felt very strongly that they had been wronged by the other. I entered the mediation hoping, but not expecting, resolution. Chris succeeded in keeping dialogue among the parties open, even when my client was ready to walk out. Mediation was successful and the parties agreed to settle all of the outstanding issues. My mediation experience with Chris Annunziata was more productive than my other recent mediation with larger and better known mediation services.

Sincerely,

/s/ Edward F. Danowitz
