Re: Davis v. Doe

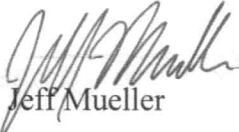

Dear Chris:

On behalf of my client, I wanted to thank you for the job you did on the above-referenced mediation on July 23, 2008. Your temperament and knowledge of the subject matter greatly enhanced the efficiency of the mediation. I believe it helps when the parties understand that the mediator is straight forward, with no agenda. Also, drawing on your past experiences on personal injury cases allows them to have a broader view of the issues that they will face at trial should the case not settle.

I look forward to working with you again.

Best Regards,

THE MUELLER LAW FIRM, LLC

Jeff Mueller
